

Shruti Ingle

📞 7057183889 — ✉ shruti.ingle167@gmail.com —  LinkedIn —  GitHub —  LeetCode

Career Objective

- Computer Science undergraduate with strong foundations in programming, data structures, algorithms, and software development.
- Passionate about building scalable applications and solving real world problems through technology.
- Seeking opportunities to apply technical skills in software engineering, cloud technologies, and application development.

Experience

ProductSquads

June 2026 – Present

DataOps Intern

- Currently interning as a DataOps Intern, contributing to data operations, pipeline management, and data quality processes.

Projects

SupplyChain Shield India

- Developed a web-based supply chain management platform to track product movement and improve visibility across logistics operations.
- Designed and implemented modules for shipment tracking, inventory monitoring, and real-time supply chain analytics.
- Built an intuitive dashboard enabling stakeholders to monitor supply chain activities and identify operational bottlenecks efficiently.

Traveloop - AI travel itinerary planner

- Developing a travel planning application that generates personalized itineraries based on user preferences, budget, and trip duration.
- Implementing destination discovery, activity recommendations, and itinerary management features using modern web technologies.
- Designing a responsive user interface focused on enhancing trip planning and user experience.

Education

Parul Institute of Technology

2023 – 2027

B.Tech in Computer Science and Engineering

CGPA: 8.25 (till Sem V)

Field of Interest

- Computational research and Generative AI
- Machine learning applications
- Software Development

Skills

Programming Languages: C++, SQL, NoSQL, Python, HTML, CSS, JavaScript(Basics)

Tools & Libraries: NumPy, Pandas, Matplotlib, Scikit-learn, Jupyter, Google Colab, VS Code

Technical Knowledge: Machine Learning (Basics), Object-Oriented Programming, Data Structures and Algorithms, Probability and Statistics, Operating Systems, Computer Networks, Computer Organization, Database Management Systems

Soft Skills: Communication, Research mindset, Analytical problem-solving, Leadership

Certifications

- Generative AI - OutSkill
- Reliance Foundation UG Scholar
- AWS Cloud Foundations – AWS Academy
- Computer Networks – NPTEL

Additional Information

- 1st Consolation prize - Environmental Hackathon
- University Event Anchor
- Experience as a Sales Executive
- Academic content proofreader
